

**LICENSE AGREEMENT FOR THE USE OF
IST-EURECOM Light Field Face Database**

Effective as of _____ [EFFECTIVE DATE]

Instituto de Telecomunicações,
Av. Rovisco Pais, 1
1049-001 Lisboa
Portugal
(hereinafter "LICENSOR")

And [Affiliation of LICENSEE]

having offices at [Address of LICENSEE]

(hereinafter "LICENSEE").

The two parties agree as follows:

1. LICENSOR developed certain valuable intellectual property, known as the "IST-EURECOM Light Field Face Database" consisting of 100 subjects, with images captured by a Lytro ILLUM light field camera. Two separate sessions were performed for each subject with a temporal separation between 1 and 6 months. The database includes 20 image shots per person in each of the two sessions, with several facial variations including emotions, actions, poses, illuminations, and occlusions.

This license refers to the part of the database consisting of 50 subjects (hereinafter "LFFD Database") captured at the Multimedia Signal Processing-Lx (MSP-Lx), Instituto de Telecomunicações, Instituto Superior Técnico, Lisbon, Portugal.

The other part of the "IST-EURECOM Light Field Face Database" was captured at the Imaging Security Lab at EURECOM, at the SophiaTech Campus, Nice, France. To access the images from the remaining 50 subjects a separate license agreement is available at <http://lffd.eurecom.fr/>.

2. LICENSOR grants a license to LICENSEE for the use of the LFFD Database in the scope of the non-profit research and academic use.

3. This license shall not be construed as to transfer any right over the LFFD Database.

4. LICENSEE shall have no rights over the LFFD Database or any portion thereof and shall not use the LFFD Database except as expressly set forth in this Agreement.

5. Subject to the terms and conditions of this Agreement, LICENSOR hereby grants to LICENSEE for non-profitable research and academic use only, for a period of 2 years starting at the effective date above mentioned, renewable upon the discretion of LICENSOR, a royalty-free, nonexclusive, nontransferable, license subject to the following conditions:

5.1 The LFFD Database may only be used by the LICENSEE and, in a need-to-know basis, of those direct research colleagues who belong to the same research institution as LICENSEE and have acceded to the terms of this license.

5.2 The LFFD Database will not be copied nor distributed in any form other than for backup of LICENSEE.

5.3 The LFFD Database may only be used for research and standardization purposes and will not be used nor included in commercial applications in any form.

5.4 Any work made public, whatever the form, based directly or indirectly on any part of the LFFD Database will include the reference to the publication mentioned in 7 below.

5.5 With the exception of subjects number 1, 2, 3, 4 and 5, **no other image obtained from the LFFD Database may be included as a figure** in any form of publication/display unless if expressly authorized in written by LICENSOR.

When using images of subjects number 1, 2, 3, 4 and/or 5 of the database for any type of publication/display the explicit reference to the image source must be included.

5.6 This license will expire two years after the EFFECTIVE DATE, in case the license agreement is not renewed by both parties (LICENSOR and LICENSEE), the LICENSEE shall permanently destroy all copies of the LFFD Database.

6. Compliance with data protection laws applicable to LICENSEE is LICENSEE's sole responsibility.

7. LICENSEE must cite the paper presenting the LFFD Database:
